

# Details of the Service

**Appointments:** - GP and Nurse Appointments can be booked by your own Practice up to two weeks in advance. The Doctors and Nurses you will see may not be your own so you will be asked to provide consent for them to view your medical records before an appointment will be given. If you are seeing the nurse for dressings, you must take those that your Practice has prescribed you as they may not have the ones you require. **Please note this is not a walk-in service for urgent care.**

**Cancelling your appointment** - If you are unable to attend your appointment it is important you let us know so we can offer it to someone else. You can do this by informing your own Practice during their normal opening hours or calling Brigstock Family Practice on  020 8689 7800. Alternatively, you can inform us by sending  mail to [e.service1@nhs.net](mailto:e.service1@nhs.net).
